AS TIME GOES BY...

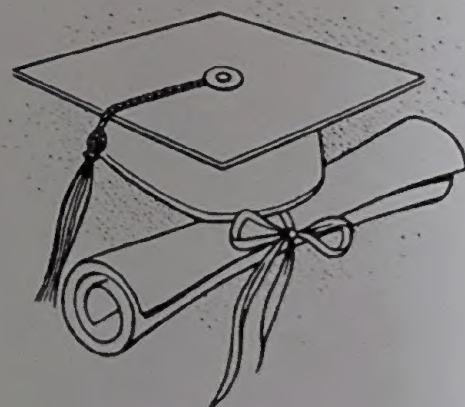

The Baldwin High School Legend was born twenty-five years ago in the year 1957. Twenty-fifth anniversaries are celebrated as milestones; therefore, this year is a special one for Baldwin.

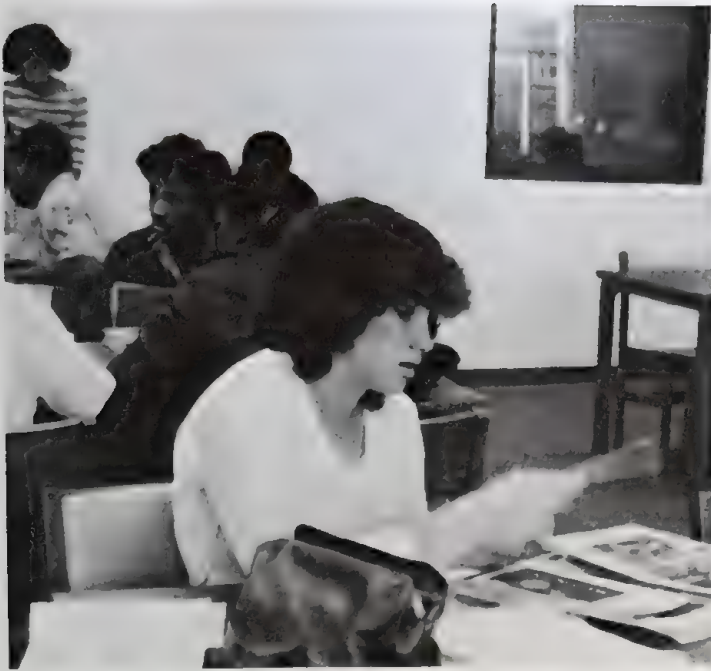

Our school has changed in many ways over the years. The building has had many face-lifts, new additions, and much renovation. Twenty-five Senior classes have received diplomas and moved on, pursuing a variety of careers and representing a myriad of lifestyles. But each graduating class has in common the nostalgic memories of a few brief years at Baldwin High School and the realization, in retrospect, that those years in some small way have helped to lay a foundation for the future.

As the class of '82 reflects upon the past twenty-five years, it seems appropriate to recognize a teacher who came to Baldwin High in its infancy. Mrs. Hodges has seen twenty-five Senior classes march across the stage to receive their diplomas. In her own individual way her influence and commitment to education have been felt by countless Baldwin High School graduates. As her former students have gone on to college, career, or family life, they have undoubtedly remembered her often tedious exercises in English grammar, and later realized their importance.

Mrs. Hodges has for several years coordinated Senior activities. She devotes many hours to ensure that graduation runs smoothly. We Seniors are grateful for her dedication to this most important event in our lives.

We dedicate this 1982 Legend, Baldwin High School's 25th anniversary edition, to you, Mrs. Hodges.

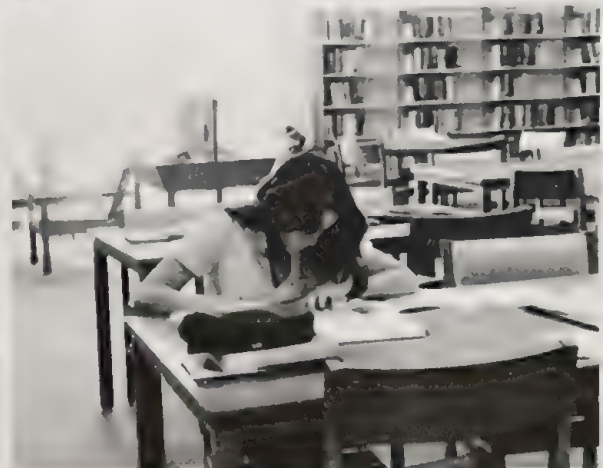

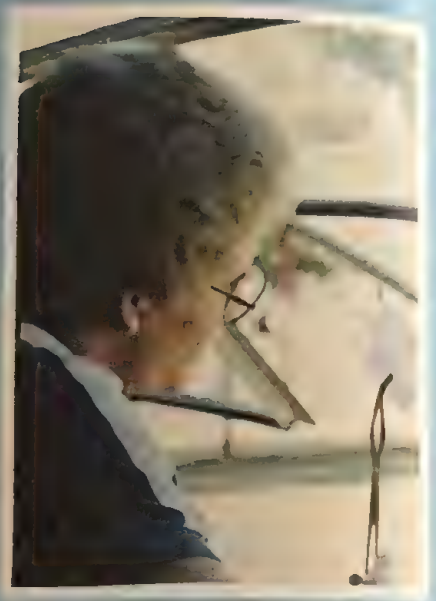

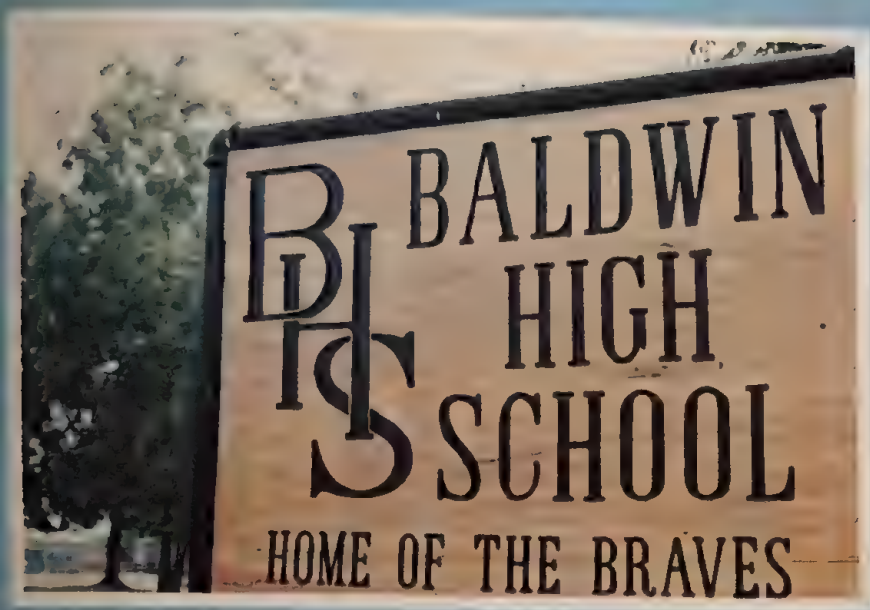

One of the newest additions to Baldwin High School is our library. We will celebrate its first anniversary in 1982.

The atmosphere of our new library is traditional of BHS. It is fresh and full of the spirit of educational horizons.

We would like to take this opportunity to show our appreciation for the library and the way that it is helping to carry on one of the oldest and most important traditions of Baldwin High School's family.

ALMA MATER

Hail to thee, O Baldwin High School

Alma Mater, Thine we are

Let your light shine o'er the Southland

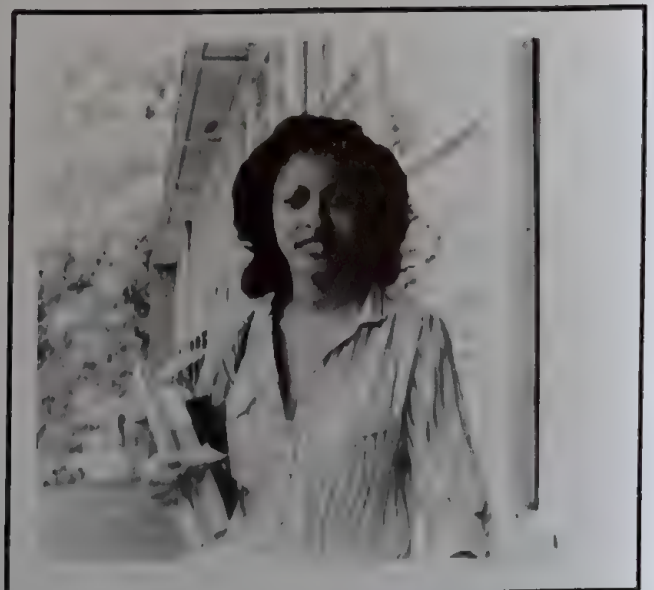

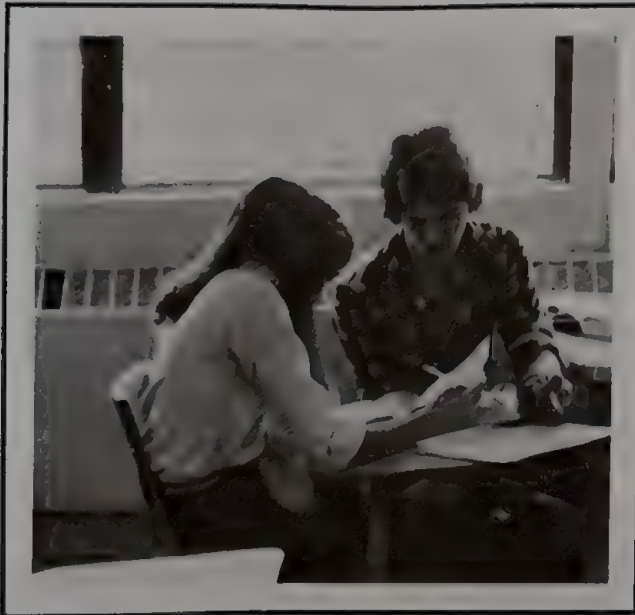

And your fame spread near and far

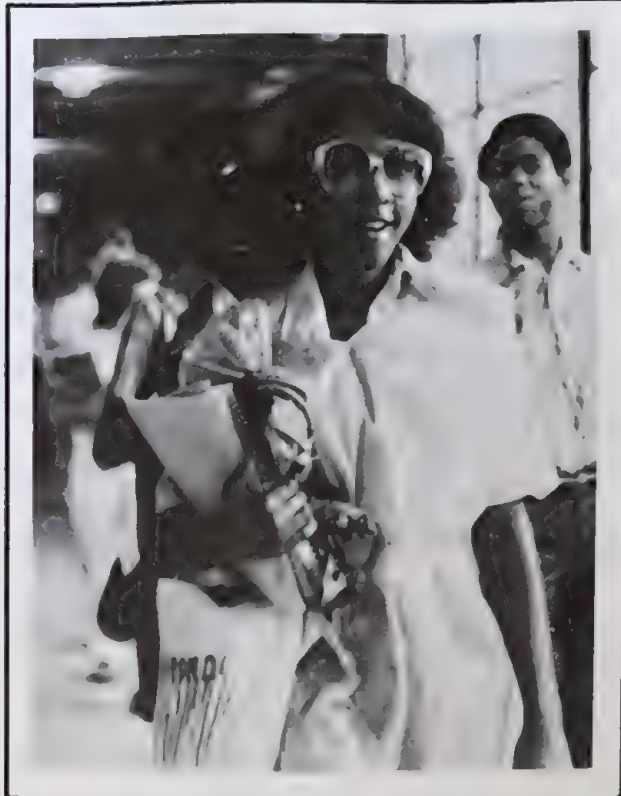

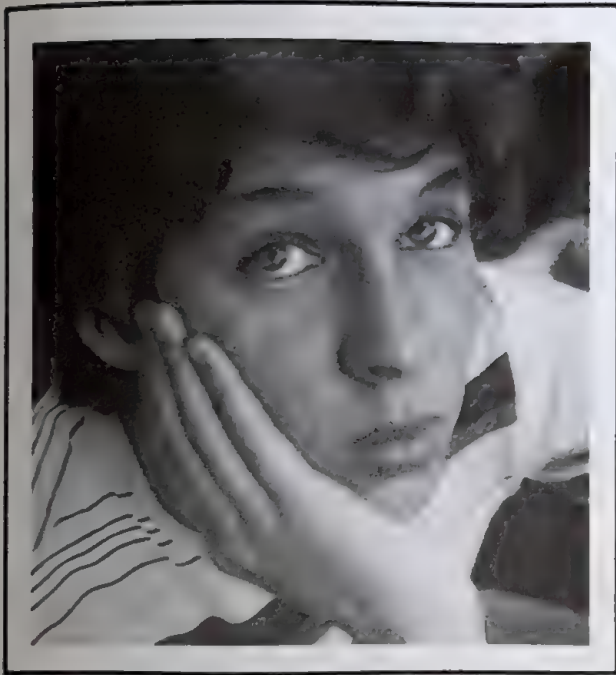

Seat of learning, guide to knowledge,

Truth and honor bright and clear,

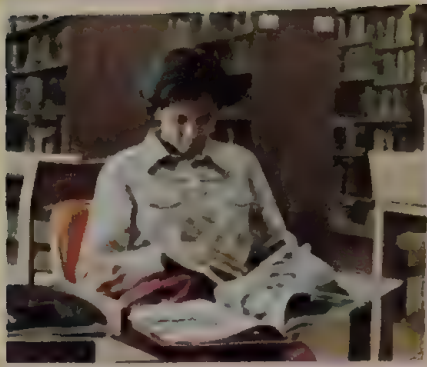

Though we leave you, Alma Mater,

In our hearts we'll hold you dear.

SENIORS

Mark,

It has been a great pleasure getting to know you this year. We should have gotten together long before this year. But what more can I ask because we're both in the mighty class of 83. So there's nothing better. I wish you lots of luck in the up-coming future. Next year, I sure the friendship will even become closer. Have a Nice Summer Love Ya!

Ms. Worsham Chosen Georgia Teacher Of The Year

Ms. Sandra Earle Worsham was chosen over a group of seventy-eight candidates from across the state as Georgia Teacher Of The Year for 1982. On November 12, 1981, Ms. Worsham was honored at a meeting of the State Board of Education.

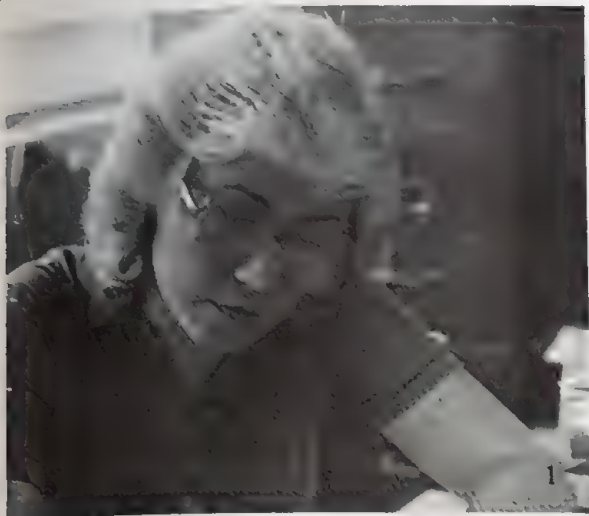

Through thirteen years of teaching, Ms. Worsham has been fortunate enough to learn to write WITH her students rather than apart from them. One of her successful teaching techniques is her idea for learning through a helping circle. Her students become more open and honest with themselves and each other as they interact at the helping circle.

Ms. Worsham has had several articles and short stories published. As a way of helping her students to get their first writings published, she developed the RAIN DANCE REVIEW, Baldwin High School's first literary magazine. The magazine is now an annual publication.

Baldwin High School is proud to have Ms. Worsham as a member of its faculty. On this, the 25th anniversary of the Legend, it is indeed a privilege to honor one of our outstanding faculty members. Congratulations to you, Ms. Worsham!

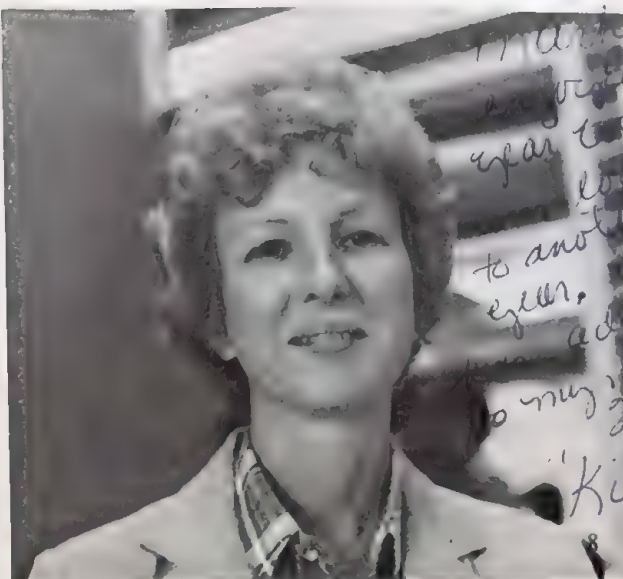

Ms. Worsham is honored by Mayor Baugh

SPORTS

FOOTBALL 1981

The 1981 Football Season was not as successful as the previous one because the Braves lost many good experienced seniors, which made the season one of rebuilding and compensating. Although the team was made up of twelve sophomores and twenty-seven juniors, the seniors provided the leadership. The Braves were divided into the Pride Line (offensive line), the War Ponies (running backs), and the Wild Dogs (defensive line). The Homecoming game was an exciting win over Johnson County, the game in which the most points were scored in one game during Coach Smith's career at Baldwin. The highlight of the season was the East Laurens game during which, with a great deal of team effort, Carl Tyler became the first running back in the history of Baldwin High School to gain over 1,000 yards.

BRAVES BASKETBALL

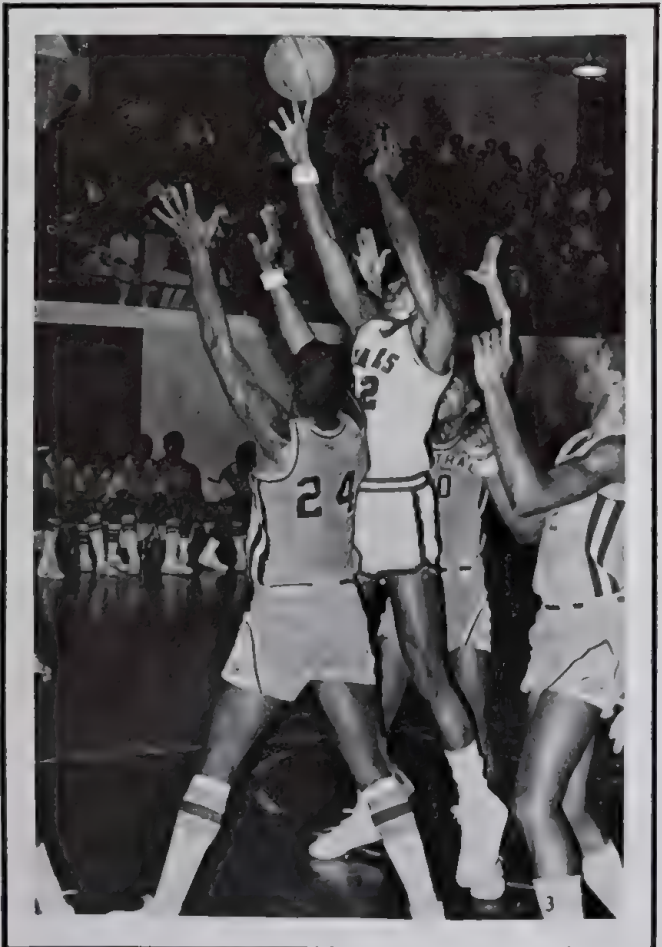

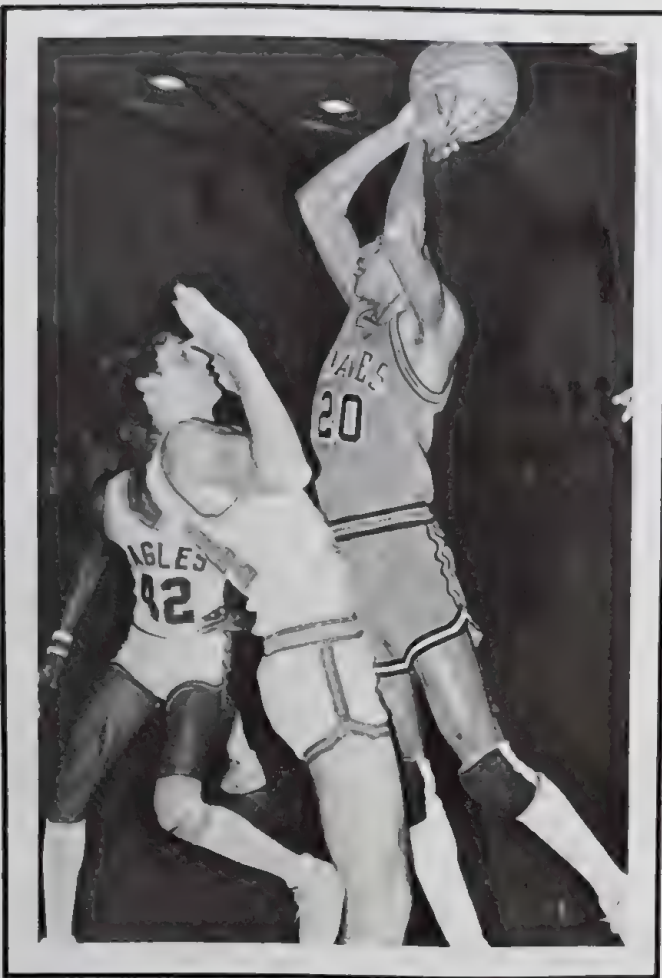

The Baldwin High Braves basketball team has become the "big, bad" Braves this season. Before every home game you could hear their theme song, "Ain't No Stoppin' Us Now", and when you saw them play, you knew why. Donald Hartry has been named to the McDonald's All-American Dream Team (for the top twenty-five players in the nation). He has been selected repeatedly as one of the top five of the "Top 20 Players in Middle Georgia", has been invited to participate in two national tournaments, and is cited as the best pointguard in the country. Kenny Evans is hailed as the number two pointguard in the U.S. and has also constantly appeared in the "Top 20 Players in Middle Georgia." Coach Lunsford was nominated for the Georgia Sports Hall of Fame (the only basketball coach thus far), and the Braves as a team have earned the title of Region 2-AAAA champions by defeating this year's arch rival Southwest of Macon 45-44. They have yet to compete and capture the title of State Champions. So it is as the bumper stickers proclaim, "Back to State in '82!"

This year a new group was added to the Band of the Braves—the Baldwin High Flag Corps. Its main function was to add visual effect to the band. Although this was a newly formed group, a tradition of excellence in performance was set for the first year. Along with being talented and pretty, each girl had to maintain a high academic standard.

THE WAY WE WERE

Do you recognize these Seniors?

For names see page 156

The special people we have encountered during the years we have spent in high school will never be the same. This is the chief reason for the publication of our picture-filled memory book. Remembering the times when Friday night's date, winning the football games, getting a smile from that special person while walking down the hall, and passing geometry were most important in our lives will fill many future hours.

I feel that we, the LEGEND staff, have done our best in preserving the 1981-82 school year for the many years to come. This anniversary edition is special to us.

Many of us will be leaving BHS at the close of this school year and entering the challenging world ahead of us. To fellow Seniors I wish luck and achievement. I encourage those of you who are looking forward to more school years to strive to absorb all you can that will better prepare you for the years to come.

It is impossible to thank all who helped put the '82 LEGEND together, but there are some who deserve special recognition. Mrs. Mabie has endured countless interruptions as we trampled through her class to the dark room. We thank her for being so patient. The 25th anniversary logo, seen in various places throughout the yearbook, was drawn by James Phelps, to whom I express my appreciation.

Special thanks to Mrs. Shepard, who helped me and gave me moral support. I appreciate everything.

My staff spent many long, hard hours making things work for this yearbook. I could not ask for a more cooperative, understanding group of people. Our sponsor, Mrs. Susan Joris, deserves a standing ovation. But since it is hard to make words stand up and clap, my gratitude will have to do. Thanks for your guidance and encouragement.

This is the finished product; enjoy it!

Sherry Meeks, Editor

Mark,

You're great! Thanks for being a great friend. I'll never forget anything about you (especially you calling Rand).

Next yr. is going be fantastic! Will be big and loud and black (well, that just sounded like it would come next).

Good luck w/ your women.

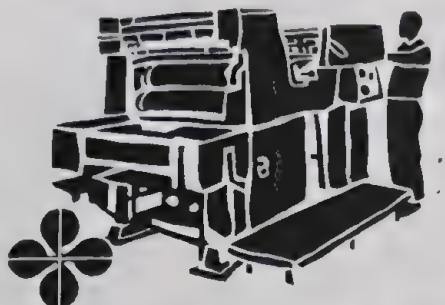

Have a great summer. We'll try to spend a lot of time together. You're a much better bro. than Kyle (you don't hit as hard as him).

Love you,
Jennifer

marc,
 you're a crazy person,
 did you know that?
 You're also a really
 good friend. I'm
 glad you're not
 graduating, now
 we have a whole
 year to be crazy
 again. I'm really
 glad you were around,
 especially certain
 times when we were
 the only sane people
 around. (HRS)
 Well I'll probably
 see you some this
 summer. Be good!
 Love
 Wanda

I look into a sunrise and enjoy its
Warmth, beauty, and radiation.
I wish that I could see it forever;
I would wake up each morning and
Know there is a sunrise to greet me
And make me feel secure.
Then the sun lies down behind the horizon
And I can only remember how beautiful it was.

Thank,

What an I supposed to say. There is no
more formidable! I've really appreciated
your friendship this year. I don't hate you
like I did in 9th grade. I'm glad
(I think) that you were here to
"support" me the beginning^{shit} (beginning) of this
year. We've had a lot of good (+ bad) times.
We never did stay out all night.

This "was" our junior year. Our last
year of being underclassmen. We'll be
seniors next year. Remember the good
times we had w/ Madame Joris and
le Francais. You're such a française.
We can't forget "Num-Num" and how she
abused you, your overachieving friends
and all AP juniors. "Don't touch that table!"
This summer we better have a good
time! Last summer you were at that
damn Upward Bound and I was in
"damn" Europe. This is our last
summer in high-school. Thanks
for being a super friend + brother

Love,

Rhio

Mark, my favorite genital herpes donor,
you are the most vile, vulgar,
sordid, pornographic, slutty acting
adolescent I know, and I love you
for it! How nice to be around
someone with the same interests
and same clothes). Well, only seven
days until ^{Ha Ha!} summer, a nymphomaniac's
paradise, right Mark? Whenever you
can manage to break away from
that sweatshop you work out, call
me and we can go riding around (keep
your hands in your pockets, Mark). No,
I'm serious, maybe we can save up
and go up to the lake one day! Oh,
please Mark, promise me we'll go to
the Lake Simla! Or maybe we can
go to Macon, pick up some rednecks
and have a hell-raising, head-buttin'
time! Are you still having that
operation this summer? I know about
it Mark, don't lie. You've always wanted
the body and lust life of Deborah
Ollington. Speaking of Deborah, are
you a father yet? I told you
there 16" would get you in
trouble some day. Oh dear, I'm
out of room.

* Don't ever forget the wonderful night at the Macon Hilton!
my parents enjoyed the swim meet! I'll always
remember the ET IT RAMP! Will have to relive
old times in the Hilton! Lucy

Mark Baby!
If only you were a little

bit taller! You are sooooo

cute! I have enjoyed knowing

you this year - yearbooks all!

Didn't it turn out good? I

think so. Thanks for being a

HOT NUMBER this year. Don't stop

loving me. I'll be back to check

up on you next year.

Love always, Neek!

P.S. Thanks for listening to my dumb problems.

Mark,
Well next year, our senior year and Rhonda had just better look out because I know we are going to tear it apart. (Hey, anyway) you know I love you & death, even if you do always run up behind me and graduate. I know well as each other this summer, used better anyway. Now from this summer and they met to get Rhonda into your or anything. (just kidding)

Love,
Rhonda

Mark,

Well, Well what do I say.
We have had some good times
& plenty of bad. This year

you got from hitting me in
Comm. class) ha, ha! (not sly enough)
Well at least we have
another year to kill each other
right!! Have a good time this
summer. If you have the time
to call, do.

P.S. Behave. Friends

Deanie

Mark,

Quelque fois, bonjour. I'm coming to your
house this summer at 2:00 A.M. to pick
water melons. What's happened to us this
~~year~~ year. We never see each other any
more. Mrs. Youngblood doesn't want to see
you! Good luck in the future with all
your over-achieving friends.

Love,
Andy
